Dear Friends,

September is the time we return. Teachers and children and college students return to school, many of us return to church after being gone for weekend summer cottages, all of us return to regular work schedules after vacation weeks. The church returns to schedules of regular meetings, Sunday school, and 'regular' worship times. The natural rhythms of our collective lives seem to return so that we have a sense of norm.

I like fall. One of our youth recently told me that she's been doing nothing during August, so that she's become bored, and is ready and looking forward to school starting. She's ready to get into a routine that gives life meaning and purpose, and to see friends she's not seen over summer because of family vacations and distance.

In the church, we can also look forward to returning to the routines and rhythms that give our Christian lives meaning and purpose. The second Sunday in September, we will return to our 10:30AM worship time, and Sunday school will kick off with an open house and a celebration that offers a pot luck lunch on the side lawn and games, culminating in an outdoor praise worship mid-afternoon. The next week we dedicate our choirs in worship, then we will celebrate our Missions on September 27<sup>th</sup>. We have so much to get this season of returning off to a great start. We will also have our first Focused Living Retreat for members of the congregation who wish to be a part of the ReFocusing of our life together.

So, come back into the rhythms of our Christian life together that give our lives purpose and meaning, and which strengthen us to be sent into our community and the world for the sake of Christ. See you in church.

*Peace,*  
*Pastor Ruth Solo*

### CONFIRMATION CLASS BEGINS

St. Paul's youth will begin confirmation classes with a one day retreat on Saturday, September 12, in the fellowship hall. Parents of those youth involved, and the mentors whom the youth have invited to join them in this important journey, are asked to come for an orientation in the morning. We will follow the curriculum from Cokesbury titled, "Claim the Name," and the youth will be making banners that tell about their walk in faith. We hope to be able to visit worship services at a Jewish temple, a Catholic mass, an Episcopal service, and an African Methodist Episcopal church. These traditions inform us about our rich heritage as Christians and as United Methodists. Be prepared to be invited to become a mentor. If you would like to help with the trips to other churches or with the sessions, please contact Pastor Ruth. We will celebrate the young peoples' faith and bring them into membership in the church on Sunday, November 1.

### CHANGE IS COMING

Have you noticed how long our announcements have taken on Sunday mornings when we are on our regular worship schedule? While it is wonderful to be an active church family, and we want to offer information about what is going on in the life of the church, it sometimes takes up to 10 minutes or more for all announcements. The Administrative Council discussed how to make announcement time less intrusive on worship and has agreed to begin announcements at 25 minutes after the hour when we return to our regular worship schedule on September 13. That means that announcements will begin at 10:25AM on Sunday mornings. We hope this will allow us the time we need for worship.

We understand that this decision may cause some anxiety for some groups in the church. However, rather than shorten our worship, we decided to expand our time on the front end of the service. We will assess how this new time is working in December. If you have comments after we begin the new time, please write them down and turn them in to the office to be a part of the assessment.

A special opportunity lies ahead for those that attend St. Paul's worship service. What it doesn't require is singing in the choir, being the liturgist, giving the message, ushering, greeting people, or working in the nursery. What it does require is praying. By yourself. In the bridesroom. Let me explain.

We have different types of prayer happening at church. There is a group that prays specifically for the congregation and those on the prayer list each week. There is a couple that is ready to open the church and aid with emergency prayers (ex. 911). And now, there is hope to have a person actively praying during the Sunday service.

The person that prays for the 10:30 a.m. service would sit by him/herself in the bridesroom. A speaker allows that person to hear the service. Prayers would be given for the musicians, the choir director, choir members, special music, the lay leader, the liturgist, the ushers, the nursery attendants, the minister, and anyone else involved.

It would be great to have enough people step forward to do this simple task so that we can rotate turns. If this sounds like something you would like to do, please contact me by phone, **419-339-3591** or email, [jawyant@woh.rr.com](mailto:jawyant@woh.rr.com).

## GET READY TO REFOCUS YOUR FAITH JOURNEY

After a year of preparation by Pastor Ruth and training and preparation by four of our leaders, Tim and Corinne Piper, Linda Craft, and Dan Best, we are finally ready to offer the Focused Living Retreat to members of our leadership and congregation.

There will be two opportunities for you to participate in the Focused Living Retreats. The first opportunity will be **Saturday, September 26**, from 8:30am to 5pm, and **Sunday, September 27**, from 3 to **6pm**. The second opportunity will be **Friday, October 16**, from 7 to 9:30pm, and **Saturday, October 17**, from 8:30am to 5pm. Finally, there will be a third Focused Living Retreat when one is held for the youth.

So, clear your calendar for one of these two weekends, and come discover how God has been actively involved in your life as you create your “post-it note life line”, your personal biblical purpose statement of why you are here, list the core values out of which you personally function and interact in the world, and then develop your own personal vision statement of where God is leading you. It’s an event well worth the time you give it. Please sign up on the bulletin board in the hallway next to the pastor’s office.

In other words, true spiritual transformation is more likely to occur when we “act into belief” rather than when we try to “believe into action.”

# The Work

## Food Pantry Collections for July and August

The generosity of the people of St. Paul's Church continues. Each month we, as a congregation of believers, continue to fill our collection boxes for the Five Loaves Food Pantry. We are in the midst of hard economic times with many people losing their jobs and finding it hard to make ends meet. Your generosity has helped many to feed their families. The highlights of our **July and August giving** are 19 boxes of macaroni & cheese, 27 boxes of cereal, 27 cans of soup, 21 cans of pasta, 16 cans of vegetables, 5 boxes of Kleenex, 8 boxes of prepared food, 4 boxes of pudding or Jello and an assortment of other items.

## Praise God!

The biggest mistake in religion in the modern era has been to confuse “the word of God” with human words or textual words in a book. If “the word was in the beginning,” then clearly the WORD is bigger than human words or textual words. It preceded all words by about 14 billion years!

— *Matthew Fox*

## ST. PAUL'S COMMUNITY SURVEY

A few people have signed up to help with the community survey. We will only be able to survey a small section of the Elida community because of the number of helpers we have. But, we hope that we will still get a good idea of how St. Paul's can best serve the community with outreach, mission, and availability. If you are still considering whether you should help with this important survey, please plan to come to the meeting on September 8 at 6:30pm. We will decide which area of the village to survey and assign sections of that area to those who agree to participate. This work is important as we move into the Focused Ministry phase of the ReFocus process. We appreciate those who have signed up and agreed to help

The **Family Promise** program has been in operation now for 18 months. The program has helped 21 families for a total of 78 individuals. Of the 78 individuals, 43 were under the age of 18. Of the 21 families, there have been nine positive housing outcomes. The goal is to stay in the program no more than 90 days; our average length of stay was 64 days. From these statistics, it is obvious the program is a success!

**Immanuel UMC** hosts the families four weeks out of the year. They hosted the last week of August. St. Paul's UMC is in partnership with Immanuel UMC for this project. We appreciate the help of everyone in continuing to make this mission project a success. **Our next scheduled week is the week of Christmas. For those of you who are able, please mark your calendars to help. The program is really working. Thank you all for your help!**

## News

### Relay for Life News September

St. Paul's UMC has completed another year as a Relay for Life Team sponsor. We collected \$2,240.31 toward our goal of \$2500. Thanks to all who donated money, helped with the many projects we held during the year, and prayed for our success. We continue to offer garden produce for a donation after church each Sunday near the church office.

There will be a planning meeting for St. Paul's Relay for Life Team 2010 on Wednesday, September 2, 2009, at 7:30 p.m. in the church Koinonia Classroom. Team member signup will take place as well as planning for another year of Relay. If you are interested in supporting this effort, please come to the meeting or see Linda Holman.

A friend is one to whom one may pour out all the contents of one's heart, chaff and grain together, knowing that the gentlest of hands will take and sift it, keep what is worth keeping and with a breath of kindness blow the rest away.

– Arabian proverb

### Coffee, Tea, & Conversation

Grab your mug and come join us. Beginning in September, the Nurture Committee will introduce a welcome center to offer hospitality to visitors and our church family. Members of the Nurture Committee will host the month of September, sharing the gift of hospitality by offering a friendly smile and a filled cup of coffee or tea. The welcome center, located in the Narthex, will be available prior to worship service. The committee's plan is to have various groups — Sunday School classes, youth, and choir members, to name a few — join in sharing this gift of hospitality by volunteering to host at the center. Please sign your name on the month that works best for your group. A calendar will be located on the bulletin board in the hallway. Thank you in advance for your service to the Lord.

### Table Grace

Loving God of all people,  
may we always  
stop to thank you  
for the goodness  
that is around us.  
Bless this food,  
and bless your people  
to serve you in the world.  
Amen.

## Some Thoughts

### Singing God's Song

The song "We Shall Not Be Moved" – or, in its Spanish version, "No Nos Moveran" – is reminiscent of Psalm 1. "Just like a tree standing by the water, we shall not be moved," goes the song, echoing Psalm 1:3: "They are like trees planted by streams of water, which yield their fruit in its season, and their leaves do not wither. In all that they do, they prosper."

Psalm 1 introduces the whole book, and in some scholars' eyes it sets the tone for the volume. The psalmist tells us that there are two ways to go – the way of the righteous or the way of the wicked. The first can lead us to life in God's presence, the second to perishing.

This does not speak of punishment so much as it speaks of simple reality. Like directions on the highway, if you take a wrong turn you end up in the wrong place. Not punishment, just reality.

The song "We Shall not be Moved" conjures up a similar sense. It began its life in English in North Carolina, sung by striking workers. Translated into Spanish it became very popular in Spain. However, the song was seen as being too political and was banned from public singing there for over 40 years.

In 1979 U.S. folksinger Joan Baez sang the song in Spain on a television show, the first person who dared to sing it. The reaction was varied, but most people in the audience were simply in shock. How could she do this? How could she proclaim this message that had been banned for so long?

There are times when we are called to proclaim God's message – however unpopular it might be. There are times when we are called to dare a public outcry and proclaim a message of righteousness, truth, and justice in the face of opposition.

It can be scary. It can be dangerous. On the other hand, it can be the path that leads to righteousness, too.

The revelation of God is whole,  
and pulls our lives together.  
The signposts of God are clear  
and point out the right road.  
The life-maps of God are right,  
showing the way to joy.  
The directions of God are plain  
and easy on the eyes.

– *Psalm 19:7-8, The Message*

A college drama group presented a play in which one character would stand on a trap door and announce, "I descend into hell!"

A stagehand below would then pull a rope, the trapdoor would spring, and the actor would drop from view.

The play was well received. When the actor playing the part became ill, another actor who was quiet overweight took his place. When the new actor announced, "I descend into hell!" the stagehand pulled the rope, and the actor began his plunge, but became hopelessly stuck. No amount of tugging on the rope could make him descend.

One student in the balcony jumped up and yelled: "Hallelujah! Hell is full!"

## Living Our Faith

A child was asked to write down what they knew from the Bible. Here are some excerpts:

- In the beginning, which occurred near the start, there was nothing but God, darkness, and some gas. The Bible says, "The Lord thy God is one," but I think He must be a lot older than that . . .
- After Noah came Abraham, Isaac, and Jacob. Jacob was more famous than his brother, Esau, because Esau sold Jacob his birthmark in exchange for some pot roast.

Jacob had a son named Joseph who wore a really loud sports coat . . .

- During his life, Jesus had many arguments with sinners like the Pharisees and the Republicans.
- Jesus also had 12 opossums. The worst one was Judas Asparagus. Judas was so evil that they named a terrible vegetable after him.

### Church Bloopers

The associate minister unveiled the church's new tithing campaign slogan last Sunday: "I upped my pledge — Now up yours."

The senior choir invites any member of the congregation who enjoys sinning to join the choir.
